BPAM RELEASES THE MALAYSIAN BOND AND SUKUK ALMANAC 2023

Kuala Lumpur, 19 Feb 2024 – Bond Pricing Agency Malaysia Sdn. Bhd. (BPAM) is pleased to announce the release of its annual publication, the Malaysian Bond and Sukuk Almanac 2023 today. This report provides an overview of the Malaysian bond market as of 31 December 2023.

Presenting a comprehensive guide on issuer profiles, active government and corporate bonds and sukuk, along with top issuers, lead arrangers and trustees in various categories, the BPAM Almanac serves as an essential handbook for individuals, market players, issuers as well as local and international investors.

“The Malaysian Bond and Sukuk Almanac 2023 comprehensively documents the annual events in the Malaysian fixed income market, covering the year 2023. Despite geopolitical uncertainties, our market has displayed robust resilience, as reflected in the remarkable growth from MYR 435.1 billion in 2022 to MYR 547.5 billion in new issuances in 2023,” said Meor Amri Meor Ayob, BPAM’s Chief Executive Officer and Executive Director.

“Given the strong foundation provided by the Malaysian bond and sukuk market, Malaysia now has the opportunity to address any gaps through investments in infrastructure and human capital to strengthen the local economy further. Such investments can be met by the local bond and sukuk market,” added Meor Amri Meor Ayob.

The Malaysian Bond and Sukuk Almanac 2023 is now available on BPAM’s website and flagship client application, BondStream.
