

KUALA LUMPUR, May 27 (Bernama) -- Bond Pricing Agency Malaysia Sdn Bhd (BPA Malaysia) today launched its "BPA Malaysia League Tables", a comprehensive Malaysian bond market rankings.

Chief executive officer, Meor Amri Meor Ayob, said the tables would rank and publish tables based on the biggest bond issuers, the most actively-traded bonds and ranking of bond trustees.

"It is a quarterly report and will be a valuable reference for issuers, intermediaries, investors, media, researchers and regulators," he said at the launch of the league tables here today.

He said the league tables were expected to be in demand as the bond market so far has no comprehensive table.

"Bond issuers and players can now see where they stand in terms of performance and popularity," he said.

Established in 2004, BPA Malaysia is a registered bond pricing agency accredited by the Securities Commission of Malaysia.-- BERNAMA
