2020 BPAM BOND MARKET AWARDS WINNERS

KUALA LUMPUR, 23 March 2020 – Bond Pricing Agency Malaysia (BPAM) is proud to announce the winners of the seventh edition of the BPAM Bond Market Awards. These winners were awarded based on their excellent performance and contribution to the Malaysian fixed income market throughout the year of 2019.

New award categories to the Environment, Social and Governance segment have also been given for the first time this year.

“The past year has been seminal for the development of the Malaysian fixed income market. Despite volatility in the global economy brought about by the geopolitical tensions between the world’s economic giants, the Malaysian market proves to be resilient with a 6% market expansion from MYR1,405.7 billion as at end 2018 to MYR1,490.3 billion as at end 2019. My heartiest congratulations to the winners of the BPAM Bond Market Awards for playing a vital role in the growth of the Malaysian fixed income market” added En. Meor Amri Meor Ayob, BPAM’s Chief Executive Officer.
