BPAM RELEASES THE MALAYSIAN BOND AND SUKUK ALMANAC 2024

Kuala Lumpur, 17 Feb 2024 – Bond Pricing Agency Malaysia Sdn. Bhd. (BPAM) is pleased to announce the release of its annual publication, the Malaysian Bond and Sukuk Almanac 2024 today. This report provides an overview of the Malaysian bond market as of 31 December 2024.

Published annually, the BPAM Almanac presents a comprehensive guide on issuer profiles, active government and corporate bonds and sukuk, along with top issuers, lead arrangers and trustees in various categories, serving as an essential handbook for individuals, market players, issuers as well as local and international investors.

“In 2024, the new issuance of bonds and sukuk reached MYR437.4 billion, reflecting the market's resilience amidst global challenges,” said Meor Amri Meor Ayob, BPAM's Chief Executive Officer and Executive Director. “Despite the dip from MYR547.5 billion the previous year, the issuance volume underscores the continued confidence in the Malaysian capital market as a vital financing platform for businesses and development projects.”

Meor Amri added that Malaysia must remain proactive and take a forward-thinking approach in utilising its Bond and Sukuk market to drive key investments in infrastructure, technology, and human capital to ensure the nation's long-term economic growth.

The Malaysian Bond and Sukuk Almanac 2024 is now available on BPAM's website and flagship client application, BondStream Terminal.
